Minotti

An internationally renowned Italian company, it exemplifies the excellence of "Made in Italy" in contemporary furniture design, reflecting a refined classic-modern lifestyle across both residential and hospitality spaces. Its identity is rooted in the fusion of tradition and innovation, where advanced technology meets the skilled craftsmanship of artisans, achieving a harmonious balance between precision, emotion, and the human touch.

Poliform

Founded in 1970 in Italy's Como region, a hub of high-end furnishings, the company began as a small artisan workshop with a vision to embrace automated manufacturing. Rooted in craftsmanship and guided by innovation, it has evolved by anticipating lifestyle trends and refining its offering with elegance, sophistication, and lasting quality. The collection includes bookcases, wall and media systems, walk-in closets, wardrobes, beds, and, since 1996, kitchens. In 2006, the range grew to include sofas and armchairs.

arper

An Italian brand shaping contemporary living with furniture that balances functionality, elegance, and playful use of color. From residential to hospitality and corporate spaces, its adaptable designs reflect a people-centered approach rooted in family tradition. Internationally recognized and committed to sustainability, Arper continues to create innovative pieces that enrich everyday environments with style and purpose.

baxter

MADE IN ITALY

Baxter is an Italian furniture brand renowned for refined design and exceptional leather craftsmanship. Its collections of sofas, armchairs, beds, and tables combine time-honored techniques with contemporary sensibility, creating pieces defined by comfort, tactile richness, and visual depth. Through collaborations with leading international designers, Baxter delivers furniture that brings character, elegance, and lasting quality to both residential and contract interiors.

Bocci

Bocci is a contemporary Canadian design house renowned for its sculptural lighting and innovative approach to craft. Guided by creativity and experimentation, the brand develops and fabricates each piece in-house, from custom chandeliers to furniture and electrical components. Its collections are celebrated worldwide for their originality, technique, and refined quality. With showrooms across major cities, Bocci continues to shape contemporary design with pieces that merge artistry and function.

[VIEW BRAND](#)

loommo

Founded in 2012 in East Bohemia, this company builds on the region's glassmaking heritage while setting new standards in contemporary crystal. Each day, artisans transform six tons of extra-clear crystal using precision technology and refined hand-finishing, enhanced by a patented method of custom color blending. Celebrated internationally, it is recognized for modern design, exceptional quality, and collaborations that continue to expand creative possibilities.

BROKIS

Based in the Czech Republic, Brokis produces exclusive glass lighting born of the skill of outstanding artisans continuing the age-old Bohemian glassblowing tradition. Its original lighting collections are designed by world-renowned Czech and international artists and have won numerous awards in prestigious design competitions both at home and abroad. Exquisite design and superior quality are cornerstones of the Brokis portfolio.

cappellini

Founded in 1946 in Carugo, Italy, this family company was later transformed by architect and designer Giulio Cappellini into a global symbol of contemporary design. From the 1980s onward, collaborations with visionary talents produced iconic pieces such as Alessandro Mendini's Proust Armchair and Marc Newson's Felt Chair. Driven by experimentation and a fearless approach to new ideas, the company continues to define modern living with originality and timeless style.

DESALTO

For nearly 30 years, this company has shared a vision of design that unites aesthetic sophistication with continuous technical and technological research. Its youthful spirit is balanced by a heritage of experience, resulting in pieces that combine iconic forms with versatile functionality. From sculptural seating to adaptable tables, each creation reflects a harmony of innovation, elegance, and everyday usability.

Originating as a small saddler's workshop in Klingnau, Switzerland, de Sede evolved into de Sede AG in 1965 while remaining true to its principles of exceptional craftsmanship and quality. Renowned for sophisticated leather seating, it grew rapidly through collaborations with leading international designers and the expansion of its global distribution. Today, it stands as a leading manufacturer of exclusive leather furniture, celebrated worldwide for combining traditional Swiss expertise with timeless design.

DRAENERT

Draenert is celebrated for its expertise in natural stone, offering an extraordinary selection of over 180 varieties sourced worldwide. In its modern workshops, master craftsmen transform stone, wood, glass, metal, and leather into distinctive dining tables, chairs, and bespoke furnishings. With a presence in prestigious residential, office, and hospitality projects, the brand stands for innovation, artisanal excellence, and timeless design.

edra

Edra is celebrated for its unique fusion of tradition and innovation, where advanced technology meets masterful craftsmanship. Its sofas and armchairs embody a rare balance of industrial precision and sartorial artistry, resulting in pieces that are both technically advanced and deeply human. Each creation is one of a kind, reflecting a contemporary approach to craftsmanship and an uncompromising pursuit of perfection.
